St. Michael's Episcopal Church in Portland is in the process of calling a new rector. To help cover some of the relocation costs, the community held a Summer Soirée on July 11, 2009.

Generous donations supported the sold-out event which included a gourmet dinner, a silent auction and a lively oral auction. The result was \$29,000 raised, significantly more than the goal. Here are some moments from the evening.

View on

To see the high-resolution or full-screen version requires a plugin called Photodex Presenter (pxplay). You may need to select "Manual Install".

```
PresenterObject("ProShow","objectname","/webshow/StMichaelSoiree.px",720,480,true);
```

You can play full screen with right mouse-click. Very cool. All popular browsers are supported, but you need to be using a Windows computer.
