Last Updated Wednesday, 12 May 2010

Nobu is a senior at Oregon Episcopal School in Portland, Oregon. He is very skilled at solving that pesky Rubix Cube puzzle that frustrates most of us.

You will enjoy seeing his 20-second solution using both hands. Then see him solve the puzzle with NO HANDS!

This 4¼minute video is a 47MB flash file. It will take a moment to begin playing depending on your connection speed.

To see the high-resolution or full-screen HD version requires a plugin called Photodex Presenter (pxplay). You may need to select "Manual Install".

```
PresenterObject("ProShow","objectname","/video/NobuRubix.px",720,405,true);
```

You can play full screen with right mouse-click. Very cool. All popular browsers are supported, but you need to be using a Windows computer.

This 4¼minute video is a 123MB file. It will take a moment to begin playing depending on your connection speed.
