Second day in Chicago with morning activities followed by hard musical work in the afternoon and evening.

Enjoy some of the images and sounds from today.

This 3-minute video is a 15MB flash file. It will take a moment to begin playing depending on your connection speed.

To see the high-resolution or full-screen version requires a plugin called Photodex Presenter (pxplay). You may need to select "Manual Install".

```
PhotodexObject("ProShow","objectname","/webshow/26-Chicago2.px",720,480);  
PresenterControls("objectname",720);
```

You can play full screen with right mouse-click. Very cool. All popular browsers are supported, but you need to be using a Windows computer.
